The Maths/Health and PE Teacher will take responsibility for teaching units of work in line with Australian Curriculum as part of the Secondary School Mathematics/Health and PE Learning Areas, including oversight of Pastoral Care lessons as required. Initially classes will include Year 7-12 Mathematics and Year 7-12 Health and PE in small, composite classes.

Essential Work Requirements

The successful applicant will demonstrate:

- » A belief in and commitment to Christian principles and support for the Christian aims of the College.
- » Commitment to and active participation in a Christian Church.
- » Teaching skills and experience in Secondary Mathematics and SACE.
- » A strong grasp of behavior management and discipline with a sound working approach.
- » Knowledge of recent developments in Middle/Senior School curriculum such as:
 - » Australian Curriculum initiatives
 - » information technology
 - » teaching and thinking
 - » learning styles
 - » assessment and reporting
 - » application of Christian principals to the curriculum
- » Skills in developing positive interactions with parents.
- » Registration with SA Teachers' Registration Board.
- » Willingness to participate in co-curricular, extra-curricular and parent sponsored activities.

Key Selection Criteria

The successful applicant will demonstrate the following qualities:

- » A vibrant and active Christian faith.
- » An understanding of the developmental needs of adolescents and a passion for working with this age group.
- » Skills to teach Mathematics/Health and PE at a Secondary School level.
- » A commitment to working in a team
- » Possess knowledge of current classroom practices.
- » Possess the ability to implement Middle/Senior School teaching methodology.
- » Have a strong grasp of implementation of discipline and behaviour management.
